EPSON®
EXCEED YOUR VISION

Height-adjustable Cart

FOR ULTRA-SHORT-THROW PROJECTORS

Whiteboard and projector not included.
Side laptop and front keyboard trays shown are optional.

Mobile multimedia solution.

Streamline your presentation setup with this affordable and portable projector cart. Epson's height-adjustable cart is designed specifically for an ultra-short-throw projector, whiteboard and laptop. Equipped with locking wheels and a folding projector arm, the cart can be quickly and conveniently rolled from classroom to classroom, or in and out of the boardroom. The Epson height-adjustable cart is a convenient, versatile solution for both education and business environments.

Multi-purpose performance — accommodates your Epson ultra-short-throw projector, whiteboard and laptop
Versatile — works with a standard or interactive whiteboard; supports 4:3 or 16:10 boards
Meets the needs of any audience — easily adjust the height by up to 17"
Sturdy — wide leg base, wheel locks and height-setting mechanism for stability
Secure and user-friendly — add the optional storage lock box and side or rear laptop trays

The best selling projectors #1 Epson Projectors in the world
